

SAMARTH TRADERS

Dehydrated Onion, Dehydrated Garlic and Spices

Who we are?

We are a Pioneer group named as "Samarth Traders" involved in supply of various agro food products like Dehydrated Onion, Dehydrated Garlic, Dehydrated Vegetables & Spices etc.

These series premium products harvested from certified processing plants, inspected by our team, air-dried and granulated. Samarth Traders is proud to be the supplier of these great organic and natural products into European and international market.

We are located in Bhavnagar (Gujarat) and also at Mahuva, the town in Bhavnagar District. Mahuva is surrounded with many agriculture based industries and is said to be India's largest hub for onion processing and exporting region with 120+ large scale dehydration Manufacturers. The geographic location & climatic conditions of this region has made this belt famous all round the world for producing white onions. Mahuva also provides us an additional export benefits due to its close proximity to three famous ports of Gujarat Pipavav, Mundra & Kandla. .

The company's core values are undoubtedly its superior standard of quality, its control of supply chain and its genuine commitment to customers.

Hygienically processed under the keen eye of experts, our products are highly reliable and qualitative. Our products are packed in high quality packing to assure their properties intact for a longer period of time. As, we know the value of time, we deliver products within the stipulated time frame. Reasonable price is the additional point of attraction of our products.
